

Banners

We encourage you to praise God through banners. One of the names of God is Jehovah Nissi, which means "The Lord is my banner". When we raise our flags in worship, we are symbolically exalting the name of Jesus. Banners (Flags) are used to change the atmosphere.

As we raise our banners in worship, we claim and occupy and take possession of the land, both physically and spiritually, that God has given us. We are reminded of our freedom in Christ

Sunday evening.

ALL ARE WELCOME

OVERVIEW

Moving in the Spirit we gather to pray, to worship, to sing and praise, to fellowship, to hear God speak through His Word, to soak in Gods powerful presence and to offer healing prayer to anyone who asks.

**1st Sunday - Healing Service
2nd Sunday - Soaking Service
3rd Sunday - Healing Service
4th Sunday - Worship and Praise**

WE PRAY FOR HEALING

In Jesus Christ's name, God heals broken bodies, broken minds, broken hearts and broken lives. Let the power of God's Holy Spirit prompt you to seek healing.

We are created to prosper and be in good health. We pray and ask God for divine healing. Jesus heals today just as He did when we walked the earth.

We will ask you about the laying on of hands with prayer? If you would prefer us not to do this, please let our prayers know when they come to you.

At times you will be asked if you would like an anointing of oil? (James 5:14,)

SOAKING SERVICE

Soaking is simply positioning yourself to express your love to God. It is not coming to God with a list of needs. It is the act of entering into the presence of God to experience His love -- and then allowing the love of God through the Holy Spirit to saturate you and increase your love for Him.

A spiritual space is created for about an hour. A safe and peaceful environment that helps us to come to peace on the inside. When we soak we simply put on some quite instrumental or worship music and we sit or kneel or lie down, **IN SILENCE. We do not have sermons, or videos, etc**

MOVING IN THE SPIRIT

WORSHIP AND PRAISE

When we worship, we are expressing our reverent love and devotion to God.

Praise and worship is a way of life, the very heartbeat of our relationship with God.

Psalm 98:4-6 says, "Shout for joy to the LORD, all the earth, burst into jubilant song with music; make music to the LORD with the harp, with the harp and the sound of singing, with trumpets and the blast of the ram's horn - shout for joy before the LORD, the King
